visitors to give a donation just because they are appreciative of your services. You can make it with Payza.com

11. Customer Service: There are many companies hiring people for customer service. All you would need is an Internet connection and landline to do the services. Here are some companies you can hire:

1. Alpine Access
2. Working Solutions
3. LiveOps

12. Virtual Assistant: A virtual assistant is like a personal assistant who can earn money by working online for someone without being physically present.

He can do variety of tasks like taking care of websites, counselling, writing & proofreading, publishing content, marketing, coding, website & app development, research etc.

There are dozens of companies like HireMyMom, MyTasker, Zirtual, uAssistMe, 123Employee where you can sign up for virtual assistant work.

13. Become a Captcha Solver:

If you have more time then you can add further income in your pocket by working as a captcha solver. This is the one of easiest way to earn money online. As a captcha solver, you need to read the captcha images & type the exact characters. You need to be very fast in order to earn better income. You can get paid up to \$2 for every 1000 captchas you solve.

1. Kolotibablo
2. MegaTypers
3. CaptchaTypers
4. ProTypers
5. Captcha2Cash

6. 2Captcha

14. Best PTC Sites: If you are trying to earn money online & need only small extra income less than \$200 then PTC sites are the best way to start & get paid.

Here you need to click & read the advertisements for 10 to 30 seconds & get paid for each & every advertisement you view.

There are many sites where you can register & make money by reading ads. All sites are free & there is no investment at all.

1. ClixSense

2. NeoBux

3. BuxP

4. Paidverts

5. InboxDollars

Important points about PTC sites:

There are thousands of PTC sites but most of them are fake.

Only few of the sites are really trusted & paying their members. And ClixSense & NeoBux are 2 sites which are powerful and paying their members without fail.
